MEMORANDUM FOR THE RECORD

SUBJECT: Visit with Mr. Elliot Maxwell

1. Delivered to Mr. Elliot Maxwell, Senator Richard Schweiker's (R., Pa.), staff representative on the Senate Select Committee, classified memoranda relating the continued CIA sensitivities in past project

Maxwell felt that the memos presented a good case for continuing the classification of the projects. He will show the memos to Senator Schweiker for his review and determination as to whether he wants to force the issue of declassification. Maxwell will let me know and will return the memos after Schweiker's review.

2. Maxwell mentioned that Senator Schweiker had sent a letter to congressional relations of the State Department advising that CIA had no objection to A.I.D. declassifying those portions of the report
